

# One Screen

One Screen is a PVC / Polyester fabric with an appealing 1 x 2 weave construction. Available up to 3,000mm wide, One Screen offers a new level of sophistication with 8 contemporary colours as well as an excellent FR rating. It also provides high level UV protection and carries Oeko-tex, Ecospecifier and Greenguard certifications, ensuring its safety and suitability for any environment.

Most importantly, One Screen has been developed utilising the most efficient manufacturing techniques available, ensuring its affordable price point within the Textstyle sunscreen collections.
